

Exclusive Summer Test Prep Program

Thinque Prep is proud to bring back its annual summer test prep class!

This group class is intended to aid students in developing the proper foundations to approach SAT/ACT test preparation. Whereas other shorter classes only focus on tips and tricks, we will have the time to really delve into the foundations of reading, writing, grammar, and mathematics. This class will be co-taught by Joyee Lin, perfect score recipient on the ACT and SAT, and Michael Funaro, a STEM expert.
